Coronavirus and Hot Tub Water

According to the CDC, there is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.

Please call (248)625-0729 or email us at orders@poolmartspas.com to place your order for curbside pickup.
